

Final Corps of Discovery Assignment:

1. Brainstorm a list of qualities of an Explorer.
2. Brainstorm a list of reasons or outcomes for the Lewis and Clark Expedition.
3. Brainstorm a list of themes for exploration.
4. Take these 3 list and make a word cloud. <http://www.wordle.net/> or <http://www.tagxedo.com/> There are tricks to making some words bigger than others. Try to add some style to your cloud.
5. Pick one of the terms from your word cloud (probably the biggest one) this is the theme for your conclusion paper. Pick one of the 3 questions below and write a **SHORT** response. This is not a full essay question but a short answer question.

Questions to choose from, pick ONLY ONE!!:

1. What is the number one quality that was necessary for the corps members of the expedition. Use at least 2 real examples that show these traits.
2. Discuss an outcome of the expedition that was history making. Besides the exploration of the new territory many events help shape the future of the country. Name the event or outcome and discuss why it was so important.
3. What set this exploration apart from previous explorations? Use examples and show how it contributed to future expeditions.

This short answer should be typed. 3 paragraphs max!
